When You Finally Decide the Old Suit's Worn Out.

Did you buy a Clothcraft Suit or Overcoat last Fall? Then you know by this time the truth of the assertion that Clothcraft is **long wearing** and packed with **satisfaction**. When you finally decide your old suit is past further usefulness you'll be in for another of the same kind. But why wait? Do You Really Know that Warner's Rust Proof Corsets are Actually Rust Proof?

Have you tested them to prove this?

We wish you would then you would know what we really mean when we say "guaranteed rust proof."

It is not enough for a corset to shape well—it must wear equally as well as it shapes. Every day it must prove its virtue through shaping comfortably, wearing without splitting, without breaking or rusting in these "piping hot" days that test even the best corsets.

You Can Depend Upon Your Warner's!
